

## Midwest Harvest Gathering

### What is it?

A three day *revolutionary radical revival* of repentance coming to the Milwaukee region April 24, 25 & 26, 2008.

This is an opportunity for all individuals to gather together and cry out and repent and call forth for repentance in this Region and throughout America. This hope-for-revival is also for believers desiring a deeper heart, not just for souls but also for a more intimate relationship with Jesus Christ and gaining His heart for the spiritual awakening He desires for this Region.

What is it worth to you to help bring true revival and repentance to America?
